

The National Association of Marine Surveyors

NAMS North Pacific Regional Seminar Session

October 27 and 28, 2017

Harbor Marine

1032 West Marine Drive at 10th St.
Everett, Washington 98201

Please Pre-Register for these seminars. Registration forms are available at the NAMS National site.

Please park at the rear of the building to allow Harbor Marine customers parking spaces in the front.

CE Credits: Sign-in sheets will be provided both in the mornings and in afternoons and will be forwarded to the NAMS and SAMS headquarters to confirm your attendance. Twelve CE credits are anticipated for the program.

October 27:

7:30: Coffee, Registration and Sign In for NAMS or SAMS CE Credits.

If not pre-registered, please bring checks made out to NAMS, or cash, for the \$200.00 registration fee in US Funds.

8:00-8:15: Roll call and Announcements

8:15-9:15: Norman Laskay NAMS-CMS, ASA will present his seven hour Marine Asset Appraisal Class

Norm Laskay has taught marine asset appraisal in a number of port cities around the nation, and also internationally, for example in Moscow, Russia, Melbourne, Australia, and in Tokyo, Japan. This course will be extremely valuable to both our commercial and our yacht and small craft surveyors.

11:45-1:00 No Host Lunch, downstairs in the Harbor Marine Café

Sign in again for NAMS and SAMS CE credits

1:00 Norman Laskay seminar continued.

October 28:

7:30: Coffee and Sign In for NAMS or SAMS CE Credits

8:15: Captain Joe Derie NAMS-CMS is the NAMS Ethics committee chairman and will speak to us about Ethics and the Marine Surveyor.

9:15: Break

9:30: David Wright and Eric Folkestead of ABT TRAC will help us to better understand hydraulic systems for stabilizers, thrusters, and other on board hydraulic equipment, and what to look for when examining and testing these systems.

10:30: Break

10:45: David Wright and Eric Folkestead of ABT TRAC continued.

11:45-1:00 No Host Lunch, downstairs in the Harbor Marine Café

Sign in again for NAMS and SAMS CE credits

1:00: Captain Richard Rodriguez of Zenith Maritime is responsible for training 35 instructors at 25 locations across the US, and is certified by the Washington State Bar Association to teach continuing education courses in International/Inland Regulations for Preventing Collisions at Sea.

Captain Rodriguez will speak to us about Lights, Shapes, and Sounds requirements per Colregs 72

2:00: Break

2:15: Captain Richard Frenzel, NAMS-CMS will speak to us about conducting and preparing damage surveys.
